- ➤ On February 13, 2018, Charles River Laboratories International, Inc. (NYSE: CRL) announced an acquisition of MPI Research for approximately ~\$800 million in cash. MPI is a premier non-clinical contract research organization (CRO) providing comprehensive testing services to biopharmaceutical and medical device companies worldwide. Acquiring MPI will enhance Charles River's position as a leading global early-stage CRO by strengthening its ability to partner with clients across the drug discovery and development continuum.
- > On June 28, 2018, Amazon.com, Inc. (Nasdaq:AMZN) entered into a definitive merger agreement to acquire PillPack, Inc. on June 28, 2018. PillPack operates as a pharmacy that sorts medication by dose and delivers to the customer's door. The company receives prescription from doctors and packs medicines as per the prescription and dosage, and delivers it in a dispenser containing PillPack packets. It offers vitamins and OTCs, inhalers, cream tubes, testing supplies, and other pharmacy items.

- ➤ On November 5, 2018, **ResMed** announced it will acquire **MatrixCare**, a provider of long-term care EHR software, for ~\$750 million to expand its out-of-hospital SaaS portfolio. Named "Best in KLAS" for long-term post-acute care software, MatrixCare's solutions help Accountable Care Organizations, skilled nursing and senior living providers, life plan communities, and home health organizations to connect, collaborate and prosper as we migrate to a fee-for-value healthcare system. MatrixCare's technology solutions currently serves 15,000+ providers across nursing, life plan communities, senior living, and private duty.
- On August 2, 2018, Global Payments Inc. (NYSE: GPN), a leading worldwide provider of payment technology and software solutions, announced an agreement to acquire AdvancedMD from Marlin Equity Partners. AdvancedMD provides cloud-based software as a service (SaaS) solutions to small-to-medium sized ambulatory physician practices in the United States. Under the terms of the acquisition agreement, Global Payments will acquire AdvancedMD in a cash transaction valued at ~\$700 million.
- > On April 26, 2018, **Tenet Healthcare Corporation (NYSE: THC)** announced that it has purchased the remaining 15 percent ownership interest in **United Surgical Partners International** owned by **Welsh, Carson, Anderson & Stowe**. As a result, Tenet has increased its ownership in USPI from 80 percent to 95 percent. Baylor University Medical Center, a subsidiary of Baylor Scott and White Health, continues to have a 5 percent ownership interest in USPI.
- On December 10, 2018, GI Partners, together with TA Associates announced that it has signed a definitive agreement to acquire the stake held in Netsmart Technologies, Inc. by Allscripts Healthcare Solutions, Inc. (NASDAQ: MDRX). This transaction represents an additional investment for GI Partners over its initial stake acquired in April 2016, and results in majority ownership of Netsmart by GI Partners. This transaction will further build out Netsmart as the leading provider of human services and post-acute technology in healthcare.
- ➤ On December 11, 2018, Australian pathology and radiology group Sonic Healthcare Ltd (SHL.AX) announced it had agreed to buy Florida-based Aurora Diagnostics LLC for ~\$540 million. Aurora is a specialized laboratory company that provides diagnostic, prognostic, and therapeutic information and services to physicians, hospital systems, and researchers in the United States. It offers pathology services, such as dermatopathology, gastrointestinal and hepatic pathology, hematopathology, and genitourinary. The company also provides molecular diagnostic services that focus on pharmacogenomics, oncology, women's health, and infectious diseases as well as laboratory management services. Aurora was founded in 2006 and is headquartered in Palm Beach Gardens, Florida.
- > On June 15, 2018, **GI Partners**, a private equity investment firm, announced that it will acquire **California Cryobank (CCB)**, the world's premier donor sperm and egg bank, and **Cord Blood Registry (CBR)**, the world's largest stem cell collection and storage company, and simultaneously combine the two businesses. Upon completion of the transaction, the combined entity will create the leading player in the stem cell storage and reproductive tissue services markets and will serve nearly 600,000 families across more than 30 countries. The organization's full family-focused suite will include cord blood and cord tissue collection and storage, frozen donor sperm and frozen donor egg services, and fertility preservation storage services.
- On March 12, 2018, Cognizant (Nasdaq: CTSH) announced an acquisition of Bolder Healthcare Solutions, a provider of revenue cycle management solutions to hospitals, physician practices and other specialist healthcare organizations in the United States. Bolder expands Cognizant's range of digital healthcare solutions, enabling it to better address the large provider segment of the U.S. healthcare market. Kentucky-based Bolder provides RCM solutions for hospitals, hospital outpatient departments, physician practices, and other specialty care providers.
- > On February 26, 2018, **R1 RCM Inc. (NASDAQ: RCM)**, a leading provider of technology-enabled revenue cycle management services to healthcare providers, announced an acquisition of **Intermedix Corporation**. The combination of R1 and Intermedix will enhance R1's breadth and depth of integrated revenue cycle capabilities across settings of care. Intermedix provides revenue cycle management, practice management and data analytics services to more than 15,000 individual healthcare providers across the United States. These providers include physicians practicing medicine in office-based practices, hospitals, and other settings and facilities. The newly-combined company manages \$28 billion of annual net patient revenue on its customers' behalf and has nearly 1,000 clients in 49 states and Washington, D.C.
- ➤ On June 4, 2018, **Teladoc (NYSE: TDOC)** acquired **Advance Medical** for ~\$352 million, expanding its international presence and doubling its potential market, the company announced Monday. Advance Medical has partnerships with more than 300 multinational employers and insurers in Europe, Asia, Latin America and the U.S. Since Advance Medical's focus lies outside the U.S., the acquisition will help Teladoc serve U.S. multinational employers, a third of whose employees work outside of the U.S.
